Design Editor

Responsible for designing daily print layouts and managing our design team. Currently working on a paper redesign.

Architectural Intern

Worked in the interior architecture department, focusing on layout-making, space design, and model-making. Conducted several site visits.

Design Director

Designed a 48-page year-end magazine published by The Brown Daily Herald. Coordinated between writers and designers and making final design edits.

Assistant Design Director

Edited daily print layouts and designed special paper inserts. Organized social events for the Design section.

Student Assistant

Shelved and retrieved book orders from universities in the UC system.
